RE: Case No. **2013-00310**

Dear Mr. Derouen:

For our "Monthly Report of Gas Cost Calculations and Tariff Schedules" sent August 9, 2013, the new rates were to take effect August 29th, 2013 which is correct. However, the supporting schedules indicate those rates should run through September 27, 2013. This is incorrect as it does not include the final weekend in September before the first meter readings of District 1 October 2013 revenue month or September 30, 2013. Please find enclosed ten (10) copies of the REVISED first page of the Duke Energy Kentucky gas cost adjustment report showing the "through" date changed from September 27, 2013 to September 29, 2013 to replace the original pages.

We apologize for any inconvenience this might cause. Please contact me at 513-287-2361 or via email at john.linton@duke-energy.com if you require information.

Very truly yours,

John Linton
