Case No. 2016-00266

Dear Ms. Mathews,

In accordance with the requirements of the Kentucky Public Service Commission's Order in the above referenced case, the Mountain Water District is pleased to report that the Upper Pompey Water Line Extension Project has reached the fifty percent (50%) completion point. We will further update the Commission within sixty (60) days of the receipt of the engineer's statement that construction has been completed and will provide a copy of the "as-built" drawings at that time.

Please contact me with any questions or concerns you may have with regard to this project via phone at (606) 631-6165 or email at [rsawyers@mtwater.org](mailto:rsawyers@mtwater.org).

Sincerely,
