RE: In the Matter of: Case No. 2016-00274: Joint Application of Kentucky Utilities Company and Louisville Gas and Electric Company for Approval of an Optional Solar Share Program Rider

Dear Mr. Lovekamp,

This letter is written to acknowledge receipt on November 6, 2017, of your letter which represents the first annual report on the status of the Solar Share Facilities program. Your letter report has been placed in the post case referenced correspondence file for Case No. 2016-00274.

The Commission's Order entered on November 4, 2016, in that case required the filing of an annual report to include the number of Solar Share Facilities constructed, current participation levels, and other relevant information. While your letter report states that no Solar Share Facilities have yet been constructed, there is no disclosure of the number of customers that have agreed to purchase solar shares or the number of solar shares sold. Please file a revised report containing this information within ten days of the date of this letter.

If you have any questions, please contact Richard Raff, Commission Policy Adviser, at (502) 782-2588.

Sincerely,

A handwritten signature in blue ink that reads "Gwen R. Pinson".
