Re: **Case No. 2017-00255**
Kentucky Rural Water Association's 38th Annual Conference and
Exhibition – ***Shaping the Future***

Dear Ms. Pinson:

Kentucky Rural Water Association (KRWA) hosted its **38th Annual Conference & Exhibition – *Shaping the Future***, at the Hyatt Regency Hotel and Lexington Convention Center in Lexington, Kentucky, on August 28-30, 2017.

All attendees are required to complete a Verification of Continuing Education Credit sheet if they plan to earn hours. On September 19, we submitted a list of commissioners that attended our conference and earned continuing education credit.

One commissioner, Glenn Williams, failed to turn his form in at the conclusion of the conference but has mailed it to KRWA. A copy of his sheet is attached which indicates he attended approved sessions and earned 6 hours of continuing education credit. Please add his information to the previous list:

Glenn Williams, Wood Creek Water District, 6 hours earned

If you have any questions regarding Glenn Williams, please don't hesitate to contact me.

Sincerely,

Janet Cole
Education Coordinator
j.cole@krwa.org
