## NOTICE

On August 1, 2017, the Kentucky Public Service Commission ("PSC") accepted for filing West McCracken County Water District's ("West McCracken") application requesting to increase its revenue from water sales by \$60,104, approximately a 10% increase. After performing a review of West McCracken's application and records, the PSC Staff recommended that West McCracken be granted an increase in water service revenues of approximately 27.932%. Pursuant to the PSC's Order of October 30, 2017, in Case No. 2017-00319, West McCracken requested that the PSC approve the PSC Staff-recommended revenue requirement and that West McCracken be allowed to implement the revised rates over a three-year phase-in period. The third phase of the rate increase is effective for service rendered on and after January 31, 2020.
