MOTION

Comes now Atmos Energy Corporation ("Company"), by counsel, and respectfully moves the Kentucky Public Service Commission ("Commission") for the relief set forth below:

BACKGROUND

By its Order entered September 19, 2018, in this proceeding, the Commission authorized the Company to implement a \$3,000,000,000 universal shelf registration for equity and debt financing. Item 3 of the ordering section of the Order required the Company to file with the Commission information relating to the issuance of the securities within ten (10) days after issuance (the "Report").

The Company's first issuance under the above Order occurred on May 31, 2019. The Company has accordingly failed to file the Report within the required ten (10) day period. The Company's failure to file the report within the ten (10) day period was unintentional and was the result of inadvertent miscommunication between counsel for the Company. The Company apologizes to the Commission and Staff for any inconvenience this has caused.

Atmos respectfully requests that it be permitted to file the Report outside the allowed ten (10) day period. The Report is being tendered simultaneously with this Motion for filing under a Petition for Confidentiality.

This 20 day of June, 2019.
