We are totally against the cell tower being constructed. Hurting our neighborhood farm for what is a shady business deal. Wrong!!!!!!

**Subject:** Cell tower

I realize there has been a lot of resistance about a cell tower being approved. The Ky psc docket number is 2024-00284.

I'm reaching out to say, I 100% approve the installation of this tower! So do many other people. This will be so much better for the area and in my opinion raise, not lower property value... still trying to figure out where they came up with that, anyhow. I just wanted to shed some positivity on this specific cell tower approval.

Thanks,

Dear Commissioner and team,

I am writing to you today to please ask you to look into KY PSC DOCKET #2024-00284.

As a friend of the Nicolai's as well as a fellow small farmer - I believe swift action needs to be taken.

In addition to reducing their overall property value, this cell tower directly impacts their future income as an agribusiness and working farm.

Furthermore, in my opinion this is no way to treat our disabled veterans who are trying to build a lasting legacy for their family.

I urge you to look into the conflict of interest on the parts of the commissioners and

support small business over big business.

For ATT this is an inconvenience - for Roger and Janelle this is life altering.

I thank you for your consideration.

Best,

Lindsey Higgins
