CASE CODE
278.023: Construct, Finance

UTILITIES:
Western Pulaski County Water District

INDEX OF EVENTS:

01/27/14	POST CASE: Western Pulaski Water District's Response to Item 9 of Final Order (submission of bond resolution).
11/04/13	POST CASE: Western Pulaski County Water District Certification of Completion of Water Line Extension and Improvements
02/11/13	Order Entered: Western Pulaski is granted a Certificate of Public Convenience and Necessity for Phase I of the proposed construction project. Western Pulaski's proposed plan of financing is accepted. Western Pulaski is authorized to issue Waterworks Revenue Bonds in an amount not to exceed $1,400,000 to RD at an interest rate not exceeding 2.25 percent per annum. 4. The proceeds from the proposed issuance of Waterworks Revenue Bonds shall be used only for the first phase of the project as specified in Western Pulaski's application, and none of proceeds shall be used for the second phase until Western Pulaski obtains a Certificate of Public Convenience and Necessity for that phase of the project. 5. Western Pulaski shall obtain approval from the Commission prior to performing any additional construction not expressly authorized by this Order. 6. Western Pulaski shall file a copy of the "as-built" drawings and a certified statement from the engineer that the construction of the first phase of the project has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of substantial completion of the construction certified herein. 7. Western Pulaski shall require the construction to be inspected under the general supervision of a professional engineer with a Kentucky registration in civil or mechanical engineering to ensure that the construction work is done in accordance with the contract drawings and specifications and in conformance
