 07/29/13 POST CASE: Northern Kentucky Water District Update on 50% Completion Point
 04/05/13 POST CASE: Northern Kentucky Water District Notification of Start of Construction
 03/07/13 Final Order Entered: (1) NKWD is granted a Certificate of Public Convenience and Necessity to proceed with the proposed construction set forth in its application. (2) NKWD shall obtain approval from the Commission prior to performing any additional construction not expressly authorized by this Order. (3) Any deviation from the construction approved shall be undertaken only with the prior approval of the Commission. (4) NKWD shall furnish documentation of the total costs of this project including the cost of construction and all other capitalized costs, such as engineering, legal, and administrative expenses, within 60 days of the date that construction is substantially completed. (6) NKWD shall file with the Commission a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certified herein. (7) NKWD shall require construction to be inspected under the general supervision of a licensed professional engineer with a Kentucky registration in civil or mechanical engineering, to ensure that the construction work is completed in accordance with the contract: drawings and specifications and in conformance with the best practices of the construction trades involved in the project. (7) NKWD shall notify the Commission seven days prior to actual start of construction and at 50 percent completion point.

03/05/13 Jack Bragg Additional Information First Data Request
