INDEX OF EVENTS:

10/12/15 Order Entered: 1. Farmers RECC's and Owen Electric's request to amortize their over-recoveries over a 12-month period is granted for this review proceeding. 2. Farmers RECC shall refund a total amount of \$604,892 to its customers through its monthly pass-through mechanism by decreasing its environmental surcharge revenue requirement by \$50,408 in each of the first 12 months following the Commission's order issued August 25, 2015. 3. Owen Electric shall refund a total amount of \$1,754,800 to its customers through its monthly pass-through mechanism by decreasing its environmental surcharge revenue requirement by \$146,233 in each of the first 12 months following the Commission's Order issued August 25, 2015. 4. All other provisions of the Commission's August 25, 2015 Order not in conflict with this Order shall remain in full force and effect.

10/02/15 Order Entered: Farmers RECC's and Owen Electric's petition for rehearing is granted for the purposes of further consideration.

09/14/15 Farmers RECC and Owen Electric Coop. Inc. Joint Motion for Rehearing on Order

09/02/15 Order Entered: EKPC's request for rehearing is granted.

2. EKPC's motion for confidential treatment of the customer and substation names in its response to Staff's Third Request, Item 5.b., is granted. The materials granted confidential protection will not be placed in the public record or made available for public inspection for a period of ten years from the date of this Order, or upon further Orders of this Commission.

3. EKPC's original redaction of customer and substation names complies with the terms of this Order.

4. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9).

5. EKPC shall inform the Commission if the materials granted confidential protection become publicly available or no longer qualify for confidential treatment.

6. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run, EKPC shall have 20 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If EKPC is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.

08/25/15 Final Order Entered: 1. The amounts billed by EKPC through its environmental surcharge for the period July 1, 2013, to December 31, 2013, are approved. 2. EKPC shall use a rate of return of 6.063 percent in all monthly environmental surcharge filings subsequent to the date of this Order. 3. EKPC's Member Cooperatives shall include the applicable monthly retail pass-through adjustments, shown in the Appendix to this Order, in the determination of each Member Cooperative's respective pass-through mechanism in each of the first six months following the date of this Order, as discussed herein. 4. EKPC's Member Cooperatives' request to alter their retail pass-through mechanism's over/under calculations is denied. 5. EKPC's Member Cooperatives' request to use the "since inception" method to calculate their over/under amount for this review is denied. 6. Shelby Energy's proposal to transition to a single environmental surcharge factor in a revenue month is approved.

08/25/15 POST CASE: East Kentucky Power Coop. Inc. Request for Clarification

Case Management System - KY Public Service Commission

Regular Cases Before the Commission as of April 20, 2024

08/05/15 Order Entered: 1 . EKPC's Petition for Confidential Protection is granted in part and denied in part. 2. The customer and substation usage information contained in EKPC's Response to Staff's Third Request, Item 5.b. , meets the criteria for confidential protection as set forth in KRS 61.878(1)(c)(1) , and confidential protection is granted to such information. The materials granted confidential protection will not be placed in the public record or made available for public inspection for a period of ten years from the date of this Order, or upon further Orders of this Commission. 3. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. EKPC shall inform the Commission if the materials granted confidential protection become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run, EKPC shall have 20 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If EKPC is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.
