Purchased Gas Adjustment

UTILITIES:

Western Lewis-Rectorville Water and Gas District

INDEX OF EVENTS:

05/16/17	Final Order Entered: 1. Western Lewis shall instruct Atmos to project its gas supply cost based on current market prices, and shall commence using the market-based prices in the calculation of its EGC beginning with rates effective July 1, 2017. 2. Western Lewis shall set out its RA as (\$1 .25) per Mcf for the next four years or until \$171 ,302 has been refunded to customers. 3. When Western Lewis files its GCR rate application for rates effective July 1, 2017, it shall set out its currently effective AAs and BAs as \$0.0000 per Mcf, as those amounts will be refunded through the RA. Western Lewis shall calculate its current quarter AA as it ordinarily would pursuant to its GCA tariff, to reconcile the difference between the currently effective EGC and the actual gas cost for the period January 2017 through March 2017.
05/11/17	Order Entered: 1. Case No. 2016-00406 is closed and removed from the Commission's docket. 2. The record of Case No. 2016-00406 is incorporated by reference in Case No. 2017-00106.
