12/18/18	Order Entered: 1. An investigation of the measurement, recording, and reporting of water loss of Kentucky's jurisdictional water utilities is instituted. Each water utility operating under Commission jurisdiction is made a party to this proceeding and shall be served with a copy of this order. 2. Requests for intervention shall be filed no later than January 11, 2019. As set forth in 807 KAR 5:001, Section 4(11)(a) , a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented, or the issues and facts that the person will present that will assist the Commission in fully considering the matter. In addition, any motion to intervene filed after January 11, 2019, shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule. 3. Each jurisdictional water utility shall file, its original responses to the requests for information contained in the attached Appendix C.
