INDEX OF EVENTS:

- 01/18/22 Order Entered: 1. BREC's motion for confidential treatment is granted. 2. The designated material granted confidential treatment by this Order shall not be placed in the public record or made available for public inspection for an indefinite period or until further Order of this Commission. 3. Use of the designated material granted confidential treatment by this Order in any Commission proceeding shall comply with 807 KAR 5:001, Section 13(9). 4. BREC shall inform the Commission if the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment.
- 01/14/22 Final Order Entered: 1. BREC is granted a CPCN to construct and operate the 161 kV transmission line set forth in its application as Project A. 2. BREC shall have the authority to move the location of the 161 kV transmission line, and acquire additional easements as described in this Order provided that no new property owners are affected. 3. BREC shall file a survey of the final location of the transmission facilities after any modifications are finalized as authorized herein before and after construction begins. 4. BREC shall immediately notify the Commission upon knowledge of any material changes to Projects A or C including but not limited to, increase in cost, any significant delays in construction, any need to relocate Project C, or any changes in the route of the transmission line not expressly authorized by this Order. 5. BREC shall file "as-built" drawings or maps of within 60 days of the completion of the construction authorized by this Order. 6. BREC shall furnish documentation of the total costs of this project including the cost of construction and all other capitalized costs, including, but not limited to, engineering, legal, and administrative expenses, within 60 days of the date construction is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for electric utilities prescribed by the Commission.
