INDEX OF EVENTS:

12/06/23	POST CASE: Robert K Miller Green-Taylor Water District Cover letter and rate sufficiency report.
06/12/23	Final Order Entered: 1. The recommendations contained in the Commission Staff's Report, except as modified in this Order, are adopted and incorporated by reference into this Order as if fully set out in this Order. 2. Green-Taylor District's request to not adjust the retail water service rates and the wholesale water service rates is approved. 3. The nonrecurring charges proposed in the cost justification sheets filed in this case and that are stated in the Appendix to this Order are approved for service rendered on and after the date of this Order. 4. Within 20 days of the date of service of this Order, Green-Taylor District shall file with this Commission, using the Commission's electronic Tariff Filing System, new tariff sheets setting forth the rates and charges approved herein and their effective date, and stating that the rates and charges were authorized by this Order. 5. Green-Taylor District shall use the midpoint of the depreciable lives of the National Association of Regulatory Utility Commissioners ranges, as proposed in the application and agreed upon by Staff, to depreciate water plant assets for accounting purposes in all future reporting periods. No adjustment to accumulated depreciation or retained earnings should be made to account for this change in the accounting estimate. 6. Green-Taylor District shall be required to establish a policy to perform an annual review of its rate sufficiency.
