Ken –

It looks like we can hold these prices where they are.

Hello Ken –

I was just waiting on one more vendor. I will have this back to you later today.

Also, would you any time this week to have a quick call? Our COO has had a long relationship with Duke, and would like to meet you if you have the time.

Good morning Ken –

Nice to meet you as well.

I am just back in the office today, and will take a look.

I need to check quickly on the taxes to see if they have changed. I will also need to confirm with our primary vendors on the freight costs. I don't expect them to change significantly, but I don't want to assume.

I will get back to you as soon as possible. I look forward to working with you!

Thank you,

**Subject:** Annual Pricing Confirmation

Good Morning Phillip,

You may or may not be aware that I took over for Richard Kunkle who retired 3/31/25. At any rate, I am reaching out to confirm the annual pricing as seen in the attached. Can you confirm/update as necessary? Please let me know if you have any questions. Nice to virtually meet you!

Regards,

Ken Stover
