Purchase Order Date January 9, 2018	Terms See Below and Attached Terms and Conditions	F. O. B. Spurlock Power Station	Delivery Ingram Barge Company, LLC

This purchase order (the "Purchase Order") binds Carrier to provide barge transportation services for Buyer's coal to Spurlock Power Station Milepost 414.1, Charleston Bottoms, Kentucky, per the terms and conditions of the Barge Transportation Contract (the "Contract"), entered by and between Carrier and Buyer dated July 12, 2017:

Term: Loadings shall commence on January 15, 2018, and continue through January 31, 2018, SUBJECT HOWEVER, to the rights of EKPC set forth herein.

Rates: Per the existing Contract dated July 12, 2017.

Rate Adjustments: Per the existing Contract dated July 12, 2017.

Quantity: Total of up to 100,000 tons (2,000 pounds per ton); for avoidance of doubt, EKPC hereby warrants that any tons tendered by EKPC to Carrier pursuant to this Purchase Order will be tons that would normally move under the Contract starting on February 1, 2018, and are not tons that EKPC has contracted to move with any other carrier.

Delivery: Per the existing Contract dated July 12, 2017.

Demurrage: Per the existing Contract dated July 12, 2017.

Weight Determination; Payment; Audit: Per the existing Contract dated July 12, 2017.

Purchase Order No. 43583
Ingram Barge Company, LLC

All Other Terms and Conditions (including without limitation Indemnification and Insurance): Per the existing Contract dated July 12, 2017.
