Owensboro, KY 42303

Dear Sir or Madam:

Subject: Change in Purchase Order No. 43695 Dated May 15, 2025—Spurlock Power Station, Cooper Power Station, J.K. Smith Power Station, Bluegrass Generating Station

Purchase Order No. 43695 is hereby amended to update the fixed, delivered prices for each of EKPC's facilities due to the increase in the Inflation Reduction Act Hazardous Superfund Tax as well as the removal of the Federal Oil Spill Liability Trust Fund Fee due to its expiry for Purchase Order No. 43695 for the term of January 1, 2026, through December 31, 2026. The Price section of the purchase order shall now effectively read as follows:

**Price:** The price of all said Unbranded dyed ultra-low sulfur No.2 Fuel Oil, f.o.b. Spurlock Power Station, shall be fixed pricing throughout the term. Fixed pricing for Spurlock Power Station shall be \$2.2607 per gallon, which includes all transportation, margin, and applicable taxes and fees. Price excludes sales tax. If the Buyer elects to divert deliveries to either Cooper Power Station or Smith Power Station or Bluegrass Generating Station, the price of all said Unbranded dyed ultra-low sulfur No. 2 Fuel Oil, f.o.b. unloading facility at applicable plant, shall be a fixed price throughout the term \$2.3432 per gallon for Cooper Power Station, \$2.2982 per gallon for Smith Power Station and \$2.2782 per gallon for Bluegrass Generating Station.

All other terms and conditions of this purchase order remain the same.

Sincerely,

*Mark Horn*  
Mark Horn  
Director, Fuel & Emissions
