Trevose, PA 19053

Dear Mr. McManus,

Subject: Amendment to FuelSolv Purchase Order No. 43674 dated November 6, 2023 and amended on October 27, 2025 (collectively, the "Purchase Order") By and Between East Kentucky Power Cooperative, Inc. ("EKPC") and Veolia Water Technologies & Solutions, Inc. ("Seller")

The following new Price Section shall amend and replace in its entirety the existing Price Section of the Purchase Order, effective immediately.

Price: The fixed price of the FuelSolv shall be Three Dollars and Twenty-Two Cents (\$3.22) per pound for calendar years 2024 and 2025, Three Dollars and Thirty-Two Cents (\$3.32) per pound for January 1, 2026, through July 31, 2026, and Three Dollars and Ninety Cents (\$3.90) per pound for August 1, 2026, through December 31, 2026. Price includes the tote disposal fee and a Veolia technician providing on-site coverage six days per week.

All other provisions of the Purchase Order not amended herein are unaffected and hereby incorporated by reference.

Sincerely,

Don Mosier
