**RE: LG&E/KU Coal Supply Agreement No. J16007/Amendment No. 4 – Truck Delivery Point**

Dear Creston:

This letter memorializes the agreement of the parties to amend, as applicable, the Delivery and Base Price and other parameters noted below of the above-referenced Coal Supply Agreement (the "Agreement"). The amendment contemplated by this letter shall be effective only during the period of June 1, 2018 to June 30, 2018 (the "Period"), unless extended or renewed by mutual consent of the parties. Unless otherwise defined herein, defined terms shall have the meanings assigned to them in the Agreement.

The parties hereby agree that, upon the request of Buyer and agreement by Seller, coal may be loaded and delivered pursuant to the Agreement using an alternate Truck Delivery Point of E.W. Brown Station coal stockpile located at 815 Dix Dam Road, Harrodsburg, Kentucky 40330. In such instances, the alternate associated FOB Delivered price will apply to all such coal transported via truck to the E.W. Brown Station coal stockpile.

**Truck Delivery Point**

Upon request of Buyer, Seller will make best efforts to load and deliver coal hereunder to Buyer FOB E.W. Brown Station coal stockpile located at 815 Dix Dam Road, Harrodsburg, Kentucky 40330 (the "Truck Delivery Point"). Unloading hours will be from 07:00 to 17:00 hours, Monday through Saturday. Trucks are expected to refrain from traveling through the town of Burgin, KY.

Title to and risk of loss of coal sold will pass to Buyer, and the coal will be considered to be delivered when coal is dumped at the Truck Delivery Point.

Seller shall arrange and pay for all costs of: (i) transporting the coal from the Coal Properties or other authorized source mines as provided herein to the Truck Delivery Point.
