Note:

EKPC is a cooperative owned and governed by sixteen member distribution cooperatives. As a cooperative, patronage capital, which represents EKPC's margin, is allocated to members on a contribution-to-gross margin basis pursuant to the provisions of EKPC's bylaws. EKPC accounts for these members' equities as prescribed by RUS, which deviates from FERC reporting requirements. Given the appropriate RUS accounts were not available for this report, the following FERC accounts were used:

Account 201, Common Stock, was used to report memberships held for EKPC's sixteen member owners
 Account 204, Preferred Stock, was used to report the balance of patronage capital allocated to members
