Major Water Projects

Provide details about each major water project which is planned but has not yet been submitted for approval to the Public Service commission.

For the limited purpose of this report, a "Major Project" is defined as one which is not in the ordinary course of business, and will increase your current utilityplant by at least 20 percent.

Brief Project Description: (improvement, replacement,building construction, expansion. If expansion, provide the estimated number of new customers):

Phase 2: East/West Connection. This project will provide a connection from the Western part of our system where our Water Treatment Plant is located to the Eastern part of our system where we currently purchase water. Phase 3: Edmonson County assumption. o In January of 2025 the water district was approached to take over Edmonson County's territory in Grayson County. An purchase and operating agreement were agreed upon in May of 2025 and Grayson County Water District began operating that territory in August of 2025. All parties are currently waiting on approval of the purchase agreement from the PSC. The Grayson County Water District has secured a loan from KIA for the purchase of the territory but no transactions have occurred.

Projected Costs and Funding Sources/Amounts:

\$10,911,690.00. Kentucky Infrastructure Authority and Rural Development. \$7,500,000 from KIA.

Approval Status: (Application for financial assistance filed, but not approved; or application approved, but have not advertised for construction bids)

Application has been filed and approved. Application has been filed and currently waiting on PSC approval.

Location: (community, area or nearby roads)

Grayson County, KY
