Commissioners
Sedalia Water District
Sedalia, Kentucky 42079

We have compiled the accompanying balance sheets of the Sedalia Water District as of December 31, 2013 and the related statements of net revenues and accumulated net revenues and cash flows for the year then ended, in accordance with generally accepted accounting practices.

A compilation is limited in the form of financial statements information that is the representation of management. We have not audited the financial statements and accordingly cannot express an opinion or other form of assurance on them.

Sedalia Water District
Notes To Financial Statements
December 31, 2013

Note A - Significant Accounting Policies

The following items comprise the significant accounting policies which the District follows in preparing and presenting its financial statements.

Utility Plant

Utility plant is stated at original cost. Maintenance and expense costs are charged against income. Depreciation of utility plant is provided by the straight-line method over the useful life of the plant.

Customer Meter Deposits

Customer meter deposits are amounts deposited with the District by rental customers as security for the payment of bills. When the customer vacates, the deposit is applied to the final bill, and the remaining balance, if any, is refunded to the customer.

Note B- Short-Term Note Payable

The Sedalia Water District and Graves County Fiscal Court entered into this agreement. This instrument consists of one principal payment of \$3,344.00, bearing zero interest, payable on demand.

Note C Long-Term Debt

There is no long term debt outstanding as of December 31, 2013
