RECEIVED: 09/17/03

FILED: 09/17/03

FINAL: 12/23/03

REOPENED:

SUSPENSION DATE:

CASE NATURE: FCC's Triennial Review Order Regarding Local Circuit Switching for DS1 Enterprise Customers (90-day) (Electronic case)

CASE CODE

Administrative
Investigation - Service
Electronic Case

HEARINGS:

11/25/03 Formal Hearing

INDEX OF EVENTS:

12/23/03 Final Order entered; the Commission finds the record in this case insufficient to justify filing a petition with the FCC to obtain a waiver. The record is devoid of the required economic and operational analyses necessary to illustrate that a CLEC is impaired without access to local circuit switching to serve end users using DS1 capacity and above loops in a particular geographic market including denying SouthEast's petition for a waiver
