INDEX OF EVENTS:

04/16/12	POST CASE: South 641 Water District Record Drawings for Sewer Project
07/18/11	POST CASE: South 641 Water District's Update Re: As-Built Plans
10/05/10	Order Entered: South 641 is granted a Certificate of Public Convenience and Necessity to proceed with the Phase II Improvements as set forth in the plans and specifications of record herein. 2. South 641 shall notify the Commission prior to performing any additional construction not expressly authorized in this Order. 3. Any deviation from the construction approved shall be undertaken only with the prior approval of the Commission. 4. South 641 shall furnish documentation of the total costs of this project, including the cost of construction and all other capitalized costs (engineering, legal, administrative, etc.) within 60 days of the date that construction is substantially completed. Construction costs should be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for Water Utilities prescribed by the Commission. 5. South 641 shall require construction to be inspected under the general supervision of a licensed professional engineer with a Kentucky registration in civil or mechanical engineering to ensure that the construction work is done in accordance with the contract drawings and specifications and in conformance with the best practices of the construction trades involved in the project. 6. South 641 shall notify the Commission in writing seven days prior to the actual commencement of the proposed construction and when 50 percent of the proposed construction is completed. 7. South 641 shall file a certified statement that th
