INDEX OF EVENTS:

12/27/11 POST CASE: Green River Valley WD's Progress Report of Construction

11/22/10 POST CASE: Green River Valley Water Revised Tariff

11/05/10 Order Entered: 1. The records of Cases No. 2009-00162 and No. 2009-004554 are incorporated by reference into the record of this case.
2. Green River Valley is granted a CPCN for the proposed construction of a 500,000-gallon concrete clearwell, backwash pump, high-service pumps, approximately 75,000 feet of 4-inch and 3-inch diameter water mains, and related appurtenances. Green River Valley's proposed plan of financing is accepted. Green River Valley is authorized to issue \$3,200,000 of Waterworks Revenue Bonds that mature over a 40-year period at an interest rate not to exceed 2.5 percent . 5. The proceeds from the bond issuance shall be used only for the purposes specified in Green River Valley's application. Green River Valley filed an application for adjustment of rates which was docketed as Case No. 2009-00455. The rates approved by this Order are the same as those proposed by Green River Valley in that case. The Commission will address the unresolved issues presented in Case No. 2009-00455 by separate Order. 6. Notwithstanding ordering paragraph 5, if surplus funds remain after the approved construction has been completed, Green River Valley may use such surplus to construct additional plant facilities if RD approves of the use and the additional construction will not result in a change in Green River Valley's rates for service. Green River Valley shall provide written notice of this additional construction in accordance with 807 KAR 5:069, Section 3. 7. Green River V
