08/01/23	Order Entered: 1. Duke Kentucky's May 1, 2023 petition for confidential treatment is denied. 2. The designated material denied confidential treatment by this Order is not exempt from public disclosure and shall be placed in the public record and made available for public inspection. 3. If Duke Kentucky objects to the Commission's determination that the requested material not be granted confidential treatment, it must seek either rehearing pursuant to KRS 278.400 or judicial review of this Order pursuant to KRS 278.410. Failure to exercise either of these statutory rights will be deemed as agreement with the Commission's determination of which materials should be granted confidential treatment. 4. Within 30 days of the date of service of this Order, Duke Kentucky shall file a revised version of the designated material for which confidential treatment was denied, reflecting as unredacted the information that has been denied confidential treatment. 5. The designated material for which Duke Kentucky's request for confidential treatment has been denied shall neither be placed in the public record nor made available for inspection for 30 days from the date of service of this Order in order to allow Duke Kentucky to seek a remedy afforded by law.

04/01/14	Order Entered: 1. The May 30 Order is modified to the limited extent that: a. References to "A Corrective Action Plan," are deleted and "A list of corrective actions, if any, taken or to be taken" is substituted in its place. b. If a distribution utility determines that corrective actions are not required or are not practical, that information should be included in the "list of corrective actions, if any, taken or to be taken." c. The reliability information described on the forms in the Appendix shall be filed by July 1, 2014, and by May 1 of each subsequent year. 2. All other provisions of the May 30 Order shall remain in full force and effect. 3. The reporting requirements set forth in the May 30 Order, and as modified herein, shall supplant the reporting requirements established in Case No. 2006-00494. 4. The reporting requirements set forth in the May 30 Order, and as modified herein, are not distribution reliability standards and they shall not be construed as de facto distribution reliability standards. 5. The Executive Director is delegated authority to grant reasonable extensions of time for the filing of any documents required by this Order upon the movant's showing of good cause for such extension.
