06/06/14	POST CASE: Adair County Water District Notice Project Constructed in Accordance with Approved Plans and Specifications and Record Drawings
02/03/12	Order Entered: I. Adair District is granted a Certificate of Public Convenience and Necessity for the proposed construction project. Adair District's proposed plan of financing is accepted. Adair District is authorized to issue $1,459,000 of its Water Revenue Bonds, Series of 2012, at an interest rate not exceeding 2.375 percent per annum, maturing over 40 years. 4. The proceeds from the proposed bond issuance shall be used only for the purposes specified in Adair District's application. 5. Notwithstanding ordering paragraph 4, if surplus funds remain after the approved construction has been completed, Adair District may use such surplus to construct additional plant facilities if RD approves of the use and the additional construction will not result in a change in Adair District's rates for service. Adair shall provide written notice of this additional construction in accordance with 807 KAR 5:069, Section 3. 6. Adair District shall file a copy of the "as-built" drawings and a certified statement from the engineer that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of substantial completion of the construction certified herein. 7. Adair District shall require the construction to be inspected under the general supervision of a professional engineer with a Kentucky registration in civil or mechanical engineering to ensure that the construction work is done in accordance with the contract drawings
