05/07/12	Delta's natural gas hedging plan is extended through March 31, 2015. Delta shall comply with the requirements contained in finding paragraph numbers 2, 3, and 4 as if the same were individually so ordered. 3. Any documents filed in the future pursuant to finding paragraph 3 shall reference this case number and shall be retained in the utility's general correspondence file.
04/02/12	Delta Natural Gas Response to Commission Staff's DR of 031612
03/16/12	Order Entered: Delta shall continue to use its current hedging plan on an interim basis, for the April through November 2012 injection season as well as for the 2012-2013 heating season, pending the Commission's Final Order addressing the request for a three-year extension. 2. a. The information requested in the Appendix to this Order is due no later than 20 days from the date of this Order. Responses to requests for information shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with copies to all parties of record and six copies to the Commission. b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry. c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. d. For any request to which Delta fails or refuses to furnish all or part of the requested information, Delta shall provide a written explanation of the specific gro
