12/17/12	Order Entered: The methodology selected for the 270 NPA relief plan within Kentucky shall be by an all-services distributed overlay as described herein. 2. The 364 NPA, previously assigned to Kentucky in relief of the 270 NPA by NANPA, shall be the NPA used to overlay the existing 270. 3. Network preparation for the overlay implementation shall begin no later than February 2, 2013. The permissive IO-digit dialing period shall begin on August 3, 2013, and mandatory IO-digit dialing shall begin on February 1, 2014. 4. The effective date of the 364 NPA, or the earliest date a CO code activation from the 364 NPA may occur, shall be March 3, 2014. 5. All existing EAS dialing arrangements, which allow customers outside the boundaries of the 270 NPA to complete cross-boundary calls between NPAs by dialing 7-digits, shall require IO-digit dialing across the 2701364 NPA boundary. 6. Within 60 days of the date of the Order, each ILEC, CLEC, and wireless provider shall file its proposed customer-education plans to the Commission.
