INDEX OF EVENTS:

01/24/26	POST CASE: Eileen Ordover Association of Community Ministries Withdrawal of counsel and updated contact information
12/05/19	Final Order Entered: 1. This case is opened to address certain outstanding petitions for confidential treatment. 2. The petitions for confidential treatment listed in Appendix B to this Order are granted. 3. The granting of these petitions shall not be cited as precedent in other proceedings before the Commission. 4. All movants shall review the petitions to determine if the material for which confidential treatment was requested still warrants confidential treatment. 5. A movant shall inform the Commission in writing, and filed in the original case file, if it determines that the information contained in a petition that is granted by this Order no longer warrants confidential treatment. 6. The Commission shall make available for inspection, upon request, any materials that a movant determines no longer warrants confidential treatment. 7. This case is closed and removed from the Commission's docket.
09/11/13	Order Entered: 1. Movant's motion for confidential protection is granted in part and denied in part. 2. The materials regarding Louisville Gas and Electric Company's Response to Attorney General's Supplemental Requests for Information Nos. 16, 28, and 59 are hereby granted confidential protection and shall not be placed in the public record for an indefinite time period, or until further Order of the Commission. 3. The materials regarding Louisville Gas and Electric Company's Response to Attorney General's Supplemental Requests for Information Nos. 6, 12, 15, 17, and 18 containing executive officer salary and compensation information do not fall within the scope of KRS 61.878 and, therefore, are denied confidential protection. 4. The documents contained in Louisville Gas and Electric Company's Response to Attorney General's Supplemental Requests for Information Nos. 6, 12, 15, 17, and 18 shall be placed in the public record 23 days after the date of this Order, notwithstanding Louisville Gas and Electric Company seeking a rehearing pursuant to KRS 278.400 or judicial review of this Order pursuant to KRS 278.410. 5. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 6. Movant shall inform the Commission if the materials granted confidential protection become publicly available or no longer qualify for confidential treatment.
09/09/13	Order Entered: 1. Movant's Motion for Confidential Protection is hereby granted under the exemption of KRS 61.878(1)(c)(1). 2. The materials for which Movant seeks confidential treatment shall not be placed in the public record nor made available for public inspection for five years, or upon further Orders of this Commission. 3. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR

5:001, Section 13(9).
4. Movant shall Inform the Commission If the materials in question become publicly available or no longer qualify for confidential treatment.

07/30/13 Order Entered: (1) Movant's motion for confidential protection is hereby granted. (2) The materials for which Movant seeks confidential treatment in Movant's Response to DR No. 25, DR 71(b), DR No. 83, and DR No. 116 shall not be placed in the public record or made available for public inspection for an indefinite period of time pursuant to the exceptions under KRS 61.878(1)(a) and (c). (3) Use of the materials in question in this proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). (4) Movant shall inform the Commission if the materials in question become publicly available or no longer qualify for confidential treatment. (5) If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run, the Movant shall have 20 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If Movant is unable to make such demonstration, the requested materials shall be made available for inspection.

07/26/13 Order Entered: (1) Movant's motion for confidential protection is hereby granted. (2) The materials for which Movant seeks confidential treatment shall not be placed in the public record nor made available for public inspection for a period of two years from the date of this Order. At the end of this period, the material shall be placed in the public record. The Movant may request that the material continue to be treated as confidential but must demonstrate that the material still falls within the exclusions established in KRS 61.878. (3) If Movant objects to the time limits that the Commission has placed on the confidential treatment for the materials in question, it must seek either rehearing pursuant to KRS 278.400 or judicial review of this Order pursuant to KRS 278.410. Failure to exercise either of these statutory rights will be deemed as agreement with the Commission's determination of the period for which the material is afforded confidential treatment and will require Movant to demonstrate a change in circumstances in any subsequent motion for continued confidential treatment of the materials in question after the end of the period set forth in ordering paragraph 2. (4) Use of the materials in question in this proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). (5) Movant shall inform the Commission if the materials in question become publicly available or no longer qualify for confidential treatment.

07/16/13 Order Entered:
1. Movant's motion for confidential protection is granted.
2. (a) The materials for which Movant seeks confidential treatment in Movant's Response to DR 108 shall not be placed in the public record nor made available for public inspection for an indefinite period of time pursuant to the exceptions under KRS 61.878(1)(a).
(b) The materials for which Movant seeks confidential treatment contained in Movant's Response to DR 54 are contracts that extend for two years and shall not be placed in the public record nor made available for public inspection for a period of four years from the date of this Order. At the end of this period, the materials shall be placed in the public record. The Movant may request the materials continue to be treated as confidential but must demonstrate that the materials still fall within the exclusions.
3. If Movant objects to the time limits that the Commission has placed on the confidential treatment for the materials in question, it must seek either rehearing pursuant to KRS 278.400 or judicial review of this Order pursuant to KRS 278.410. Failure to exercise either of these statutory rights will be deemed as agreement with the Commission's determination of the period for which the materials are afforded confidential treatment and will require Movant to demonstrate a change in circumstances in any subsequent motion for continued confidential treatment of the material in question after the end of the period set forth.

05/15/13 Order Entered: (1) Movant's motion for confidential protection is hereby granted. (2) The materials for which Movant seeks confidential treatment shall not be placed in the public record nor made available for public inspection. (3) Use of the materials in question in this proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). (4) Movant shall inform the Commission if the materials in question become publicly available or no longer qualifies for confidential treatment. (5) If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order, the Movant shall have 20 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If Movant is unable to make such

	demonstration, the requested materials shall be made available for inspection.
12/20/12	Order Entered: The rates and charges proposed by LGRE are denied. The Settlement, set forth in Appendix A, attached hereto (without exhibits), is approved. 3. LG&E's request for a CPCN for its proposed Gas Line Program is reasonable and is approved. 4. The rates and charges for LGRE, as set forth in Appendix B, attached hereto, are the fair, just, and reasonable rates for LG&E, and these rates are approved for service rendered on and after January 1, 2013. 5. LG&E shall file within 20 days of the date of this Order, its revised tariffs setting out the rates authorized herein, reflecting that they were approved pursuant to this Order.

10/03/12	Matt Malone Direct Testimony of John Mehling on behalf of Hess Corporation
10/02/12	Order Entered: (1) Hess is granted limited intervention solely to participate on the issue of LG&E's gas transportation thresholds and is specifically denied intervention regarding the issues of balancing frequencies and balancing tolerance bands. (2) Hess shall be entitled to the rights of a limited intervenor on the issue of LG&E's gas transportation thresholds and shall be served with electronic notice of the issuance of all Commission Orders issued after the date of this Order and of all documents filed by any party to this proceeding. (3) Hess shall comply with all provisions of the Commission's Order of June 22, 2012 related to the electronic filing of documents. (4) Hess shall take the record in this case as it currently stands and Hess shall comply with the amended procedural schedule. (5) Within five days of entry of this Order, Hess shall: a. Notify the Commission and all other parties of record in writing of the electronic mail address to which all electronic notices and messages related to this proceeding should be served. b. File a written statement as to whether it, or its agent, is capable of receiving electronic transmissions, and whether it waives its right to service of Commission Orders by United States mail in return for electronic notification of the issuance of such Orders.
