Jackson Energy Cooperative Corporation

INDEX OF EVENTS:

10/28/13	POST CASE: Jackson Energy Cooperative Revised Net Metering Tariffs per Order
09/04/13	Order Entered: 1. Jackson Energy's request to revise its Net Metering Tariff is granted in part and denied in part. 2. Jackson Energy's request to make certain textual changes to its Net Metering Tariff is granted. 3. Jackson Energy's request to impose a minimum level of insurance coverage for Level 1 and Level 2 net metering systems is denied, without prejudice. 4. Jackson Energy shall inform the third customer mentioned herein that the provision of net metering service does not require a minimum level of insurance coverage other than the maintenance of general liability insurance coverage through either a homeowner's, commercial, or other policy.
