02/07/14 Order Entered:  
1. Muhlenberg District is granted a Certificate to proceed with the proposed purchase of Sensus iPERL meters and replacement of its existing residential meters.  
2. Prior to placing the proposed meters in service, Muhlenberg District shall ensure that each is tested for accuracy by an approved agency or utility and a Commission-certified meter tester and that it meets the standards set forth in 807 KAR 5:066, Section 15.27  
3. Should Muhlenberg District rely upon the meter manufacturer's testing to comply with 807 KAR 5:066, Section 15, it shall file with the Commission prior to placing any of the purchased meters into service evidence of the meter-testing facility's traceability to National Institute of Standards and Technology standards.  
4. Muhlenberg District shall notify the Commission in writing upon completion of the installation of the Sensus iPERL meters.  
5. Muhlenberg District shall test for accuracy 100 of the installed Sensus iPERL meters in each year of the first five years following the deployment of the Sensus iPERL meters and shall test for accuracy 1,000 meters of the installed Sensus iPERL meters each year of the following five years.  
6. Beginning in 2016, Muhlenberg District shall file with the Commission, along with the financial and statistical report that 807 KAR 5:006, Section 4(2), requires, the results of the sample meter testing conducted in accordance with ordering paragraph 5.
