| 09/02/14 | POST CASE: As built drawings of Cumberland County WD |
| 05/16/13 | Order Entered: Cumberland County is granted a Certificate of Public Convenience and Necessity for the proposed construction project. Cumberland County's proposed plan of financing is accepted. Cumberland County is authorized to issue $487,000 of its Waterworks Revenue Bonds at an interest rate not exceeding 2.75 percent per annum maturing over 40 years. 4. The proceeds from the proposed bond issuance shall be used only for the purposes specified in Cumberland County's application. 5. Cumberland County shall obtain approval from the Commission prior to performing any additional construction not expressly authorized by this Order. 6. Notwithstanding ordering paragraph 5, if surplus funds remain after the approved construction has been completed, Cumberland County may use such funds to construct additional plant facilities if RD approves of the use, and the additional construction will not result in a change in Cumberland County's rates for service. Cumberland County shall provide written notice of this additional construction in accordance with 807 KAR 5069, Section 3. 7. Cumberland County shall file a copy of the "as-built" drawings and a certified statement from the engineer that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of substantial completion of the construction certified herein. 8. Cumberland County shall require the construction to be inspected under the general supervision of a professi |
