02/11/14 POST CASE: Wood Creek Water District Revised Accounting Procedures and Internal Controls Pursuant to PSC Order of 11-12-13

11/12/13 Order Entered: Wood Creek District shall, for accounting and ratemaking purposes, use the "PSC Approved Service Life" set forth in Appendix B to this Order for the listed classes of assets when calculating and reporting depreciation for all reporting periods after the date of this Order, but shall make no retroactive adjustment to its books to account for the cumulative effect of this change in accounting estimate.

2. Wood Creek District's originally proposed rates are denied.

3. Wood Creek District shall charge the rates set forth in Appendix C to this Order for sewer service rendered on and after the date of this Order.

4. Within 20 days of the date of this Order and using the Commission's Electronic Tariff Filing System, Wood Creek District shall file with the Commission revised tariff sheets that contain the rates set forth in Appendix C.

5. Within 90 days of the date of this Order, Wood Creek District shall revise its accounting procedures and internal controls to include methods and practices that reasonably and fairly allocate revenues and expenses between its water and sewer divisions and shall file with the Commission a copy of these revised procedures and controls and evidence of its Board of Commissioners' formal adoption of such procedures.

6. Any documents filed pursuant to ordering paragraph 5 shall reference this case number and shall be retained in the utility's general correspondence file.

7. The Executive Director is delegated authority t

08/02/13 Wood Creek Water District's response to July 26, 2013 Order

07/26/13 Order Entered: (1) Wood Creek Water District ("Wood Creek District") shall file with the Commission no later than August 5, 2013: a. Its written comments on and any objections to the findings and recommendations contained in the Commission Staff Report; b. Written notice of its position on adjusting its general rates for sewer service to a level that will produce \$878,937 from sewer sales; c. Written notice of its position on changing the service lives of certain sewer assets to the service lives that Commission Staff has recommended; d. Any additional evidence for the Commission's consideration; and e. Written notice as to whether this matter may be submitted for decision based upon the existing record without hearing. (2) Wood Creek District's failure to file written objections to a finding or recommendation contained in the Staff Report by August 5, 2013 shall be deemed as agreement with that finding or recommendation and a waiver of any right to object to that finding or recommendation. (3) If Wood Creek District wishes to revise its proposed rates for sewer service to the levels that Commission Staff recommended, Wood Creek District shall file a revised request for rate adjustment with its response to Staff Report. (4) If Wood Creek District revises its request for rate adjustment, it shall publish notice a newspaper of general circulation in its territory no later than August 10, 2013, and shall provide Commission with proof of publication no later than August 20, 2013.
