INDEX OF EVENTS:

12/05/19	Final Order Entered: 1. This case is opened to address certain outstanding petitions for confidential treatment. 2. The petitions for confidential treatment listed in Appendix B to this Order are granted. 3. The granting of these petitions shall not be cited as precedent in other proceedings before the Commission. 4. All movants shall review the petitions to determine if the material for which confidential treatment was requested still warrants confidential treatment. 5. A movant shall inform the Commission in writing, and filed in the original case file, if it determines that the information contained in a petition that is granted by this Order no longer warrants confidential treatment. 6. The Commission shall make available for inspection, upon request, any materials that a movant determines no longer warrants confidential treatment. 7. This case is closed and removed from the Commission's docket.
07/18/19	POST CASE: Big Rivers Electric Corporation Unredacted Responses to Requests for Information
06/18/19	Order Entered: 1. BREC's July 12, 2013, October 22, 2013, December 17, 2013, and January 24, 2014 petitions for confidential protection are denied as moot. 2. Within 30 days of the date of this Order, BREC shall file revised pages reflecting as unredacted the designated materials subject to the July 12, 2013, October 22, 2013, December 17, 2013, and January 24, 2014 petitions that have been denied confidential treatment. 3. The designated materials in the July 12, 2013, October22, 2013, December 17, 20 13, and January 24, 2014 petitions for which confidential protection was denied shall not be placed in the public record for 30 days following the date of this Order to allow BREC to seek any remedy afforded by law.
06/18/19	Order Entered: 1. BREC's September 30, 2013 petition for confidential treatment is granted in part and denied in part. 2. BREC's request for confidential treatment for the designated materials regarding critical energy infrastructure information is granted. 3. BREC's request for confidential treatment for the remaining designated materials contained in BREC's responses to the Attorney General's, KIUC's, Sierra Club's, and Commission Staff's respective Requests for Information is denied as moot. 4. The designated materials regarding critical energy infrastructure information shall not be placed in the public record or made available for public inspection for an indefinite period, or until further Orders of this Commission. 5. Use of the designated materials regarding critical energy infrastructure information in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 6. BREC shall inform the Commission if the designated materials regarding critical energy infrastructure information become publicly available or no longer qualify for confidential treatment.
06/18/19	Order Entered: 1. KIUC's November 25, 2013 petition for confidential protection is granted. 2. The designated materials shall not be placed in the public record or made available for public inspection for an indefinite period, or until further Orders of this Commission. 3. Use of the designated materials in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. KIUC shall inform the Commission if the designated materials become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect the designated materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not expired, KIUC shall have 30 days from

receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If KIUC is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the designated materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow KIUC to seek a remedy afforded by law.

08/01/16 POST CASE: Sierra Club Notice of Change of Address

08/08/14 POST CASE: Big Rivers Electric Updated Response to Request for Information from January 2014 Hearing

Big Rivers Electric Petition for Confidential Treatment

07/09/14 POST CASE: Big Rivers' rate refund report

06/06/14 Order Entered: (1) The intervenors' request for rehearing is granted to the limited extent that the Rate Order is clarified to state that Big Rivers shall begin to draw upon the RER fund when the ER fund is insufficient to fully fund the MRSM. (2) The Intervenors and other interested persons, including but not limited to Century, shall be afforded an opportunity to participate in the management audit by being interviewed and submitting written comments and documents to the auditor. The Intervenors' request for rehearing for the granting of a deviation from 807 KAR 5:013,
Section 4, to participate in the management audit as if they were the utility is denied. (3) The management audit required by our Rate Order shall deviate from 807 KAR 5:013, Section 4, to the limited extent that for this audit Big Rivers shall not be permitted to review and comment on the proposals received in response to the Commission's RFP. (4) All other findings and provisions of the Commission's April 25, 2014 Order
shall remain in full force and effect.

05/07/14 POST CASE: Precoat Metals Hawesville Division Public Comments

04/25/14 Final Order Entered: (1) The rates and charges proposed by Big Rivers are denied. (2)The rates in the appendix to this Order are approved for service rendered by Big Rivers on and after February 1, 2014. (3) The depreciation rates proposed by Big Rivers are approved effective as
of February 1, 2014. (4) Big Rivers shall continue to defer recording depreciation on the Coleman Station as an expense and record it in a regulatory asset account. All other aspects of Big Rivers' accounting for depreciation on the Coleman Station shall remain unchanged. (5) Effective as of February 1, 2014, Big Rivers shall discontinue recording depreciation of the Wilson Station as an expense and shall defer this depreciation and record it in a regulatory asset account. All other aspects of Big Rivers' accounting for depreciation on the Wilson Station shall remain unchanged. (6) Big Rivers shall prepare a new depreciation study for Commission review by the earlier of five years from the date of this Order or the filing of Big Rivers' next general rate case. (7) Big River's proposed accounting treatment for the transmission revenues related to the Hawesville smelter is approved. (8) Big Rivers' proposal to accelerate the use of the ER and RER funds to mitigate 100 percent of the increase granted in this case is approved. (9) Big Rivers shall be subject to a focused management audit of its efforts to mitigate the impact of the loss of the smelter loads.

04/11/14 Order Entered:
1. Movant's motion for confidential protection is hereby granted.
2. The materials for which Movant seeks confidential treatment shall not be placed in the public record nor made available for public inspection for a period of five years from the date of this Order, or until further Orders of this Commission. At the end of this period, the material shall be placed in the public

	record. The Movant may request that the material continue to be treated as confidential but must demonstrate that the material still falls within the exclusions established in KRS 61.878. 3. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. Movant shall inform the Commission if the materials in question become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run, the Movant shall have 20 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If Movant is unable to make such demonstration, the requested materials shall be made available for inspection.
