INDEX OF EVENTS:

03/23/15	POST CASE: South Logan Water Assoc. As Built
09/18/13	POST CASE: South Logan Water Association Promissory Note
06/19/13	Final Order Entered: (1) South Logan is granted a CPC&N for the proposed construction project. (2).South Logan's proposed plan of financing is accepted. (3) South Logan is authorized to issue to RD a promissory note in an amount not to exceed $1,200,000 to be repaid over a 40-year period at a rate of interest not to exceed 3 percent per annum. (4)The proceeds from the proposed promissory note shall be used only for the purposes specified in South Logan's application. (5) South Logan shall obtain approval from the Commission prior to performing any additional construction not expressly authorized by this Order. (6) Notwithstanding ordering paragraph 5, if surplus funds remain after the approved construction has been completed, South Logan may use such surplus to construct additional plant facilities if RD approves of the use and the additional construction will not result in a change in South Logan's rates for service. South Logan shall provide written notice of this additional construction in accordance with 807 KAR 5:069, Section 3. (7) South Logan shall file a copy of the "as-built" drawings and a certified statement from the engineer that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of substantial completion of the construction certified herein. 8. South Logan shall require the construction to be inspected under the general supervision of a professional engineer with KY registration.
