02/07/14	POST CASE: Hyden-Leslie County Water District's Notice that Project Construction Will Resume 02-10-14
02/06/14	Order Entered: Hyden-Leslie District is granted a Certificate to proceed with the proposed construction as set forth in its application. 2. Hyden-Leslie District shall notify the Commission prior to performing any additional construction not expressly authorized by this Order. 3. Any deviation from the construction approved shall be undertaken only with prior approval of the Commission. 4. Hyden-Leslie District shall file with the Commission documentation of the total costs of this project, including the cost of construction and all other capitalized costs (engineering, legal, administrative, etc.), within 60 days of the date that construction is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission. 5. Hyden-Leslie District shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein.
