INDEX OF EVENTS:

04/27/15	POST CASE: Northern Kentucky Water District Ripple Creek Water Main As Builts
01/10/14	Final Order Entered: (1) Northern District is granted a Certificate to proceed with the proposed construction set forth in its application. (2) Northern District shall notify the Commission in writing prior to performing any additional construction not expressly authorized by this Order. (3) Any deviation from the construction approved shall be undertaken only with the prior approval of the Commission. (4) Northern District shall file with the Commission documentation of the total costs of this project, including the cost of construction and all other capitalized costs, (e.g., engineering, legal, administrative) within 60 days of the date that construction is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission. (5) Northern District shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein. (6) Northern District shall require construction be inspected under general supervision of licensed professional engineer with Kentucky registration to ensure that construction work is done in accordance with contract drawings and specifications and in conformance with the best practices of the construction trades involved in the project.
