INDEX OF EVENTS:

01/24/26	POST CASE: Eileen Ordover Association of Community Ministries Withdrawal of counsel and updated contact information
12/05/19	Final Order Entered: 1. This case is opened to address certain outstanding petitions for confidential treatment. 2. The petitions for confidential treatment listed in Appendix B to this Order are granted. 3. The granting of these petitions shall not be cited as precedent in other proceedings before the Commission. 4. All movants shall review the petitions to determine if the material for which confidential treatment was requested still warrants confidential treatment. 5. A movant shall inform the Commission in writing, and filed in the original case file, if it determines that the information contained in a petition that is granted by this Order no longer warrants confidential treatment. 6. The Commission shall make available for inspection, upon request, any materials that a movant determines no longer warrants confidential treatment. 7. This case is closed and removed from the Commission's docket.

11/14/14	Final Order Entered: (1) The Companies' proposed DSM/EE Program Plan is approved through 2018. (2) The Companies shall prepare a report for the pilot AMS program through June 30, 2015, which should be filed with the Commission by July 31, 2015. Thereafter, an annual report providing similar information should be filed beginning on December 31, 2015, and due by January 31, 2016, and again through December 31, 2018, due by January 31, 2019. The reports should provide the number of

	participants by company, measurable energy savings, the information learned, any problems and the resolution, and whether the information was accessible to the participants in a 24- to 48-hour period. (3)The Companies' request to continue the Commission-approved 10.5 percent ROE for the capital portion of the DSM/EE Program Plan is approved. (4)The Companies shall continue encouraging participation in programs that help low-income customers to reduce energy consumption, thereby reducing monthly energy bills. (5) Within three months of the issuance of this Order, the Companies shall commission an industrial potential or market-characterization study. (6) The Companies shall file with the Commission the industrial potential or market-characterization study within 30 days of the date it is completed and finalized. (7) The proposed costs of the DSM/EE Program Plan shall be included in the Companies' DSM surcharge rates effective for service rendered on and after January 1, 2015.
