INDEX OF EVENTS:

12/03/15	POST CASE: Western Pulaski County Water District Notice of Completion and As Builts
06/02/14	Order Entered: Western Pulaski is granted a CPCN for the proposed construction project. 2. Western Pulaski shall obtain approval from the Commission prior to performing any additional construction not expressly authorized by this Order. 3. Notwithstanding ordering paragraph 2, if surplus funds remain after the approved construction has been completed, Western Pulaski may use such surplus to construct additional plant facilities if RD approves of the use and the additional construction will not result in a change in Western Pulaski's rates for service. Western Pulaski shall provide written notice of this additional construction in accordance with 807 KAR 5:069, Section 4. 4. Western Pulaski shall file a copy of the "as-built" drawings and a certified statement from the engineer that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of substantial completion of the construction certified herein.
