INDEX OF EVENTS:

12/05/19 Final Order Entered: 1. This case is opened to address certain outstanding petitions for confidential treatment. 2. The petitions for confidential treatment listed in Appendix B to this Order are granted. 3. The granting of these petitions shall not be cited as precedent in other proceedings before the Commission. 4. All movants shall review the petitions to determine if the material for which confidential treatment was requested still warrants confidential treatment. 5. A movant shall inform the Commission in writing, and filed in the original
case file, if it determines that the information contained in a petition that is granted by this Order no longer warrants confidential treatment.
6. The Commission shall make available for inspection, upon request, any materials that a movant determines no longer warrants confidential treatment. 7. This case is closed and removed from the Commission's docket.

09/13/19 POST CASE: Scott E. Bishop Kentucky Power Company Kentucky Power Companys filing of unredacted response to Commission Staffs First Set of Data Request.

08/29/19 Order Entered: 1. Kentucky Power's August 27, 2014 petition for confidential protection is denied as moot. 2. Within 30 days of the date of this Order, Kentucky Power shall file revised pages reflecting as unredacted the designated materials subject to the August 27, 2014
petition that has been denied confidential treatment. 3. The designated materials in the August 27, 2014 petition for which confidential protection was denied shall not be placed in the public record for 30 days following the date of this Order to allow Kentucky Power to seek any remedy afforded by law.

08/13/19 Order Entered: 1. Kentucky Power's October 1, 2014 petition for confidential protection is granted. 2. The designated materials shall not be placed in the public record or made available for public inspection for an indefinite period, or until further Orders of this Commission. 3. Use of the designated materials in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. Kentucky Power shall inform the Commission if the designated materials become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect the designated materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not expired, Kentucky Power shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If Kentucky Power is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the designated materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow Kentucky Power to seek a remedy afforded by law.
