HEARINGS:
11/12/14 Formal Hearing

INDEX OF EVENTS:

08/13/19	Order Entered: 1. EKPC's August 27, 2014 petition for confidential protection is granted. 2. The designated materials shall not be placed in the public record or made available for public inspection for ten years, or until further Orders of this Commission. 3. Use of the designated materials in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. EKPC shall inform the Commission if the designated materials become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect the designated materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not expired, EKPC shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If EKPC is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the designated materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow EKPC to seek a remedy afforded by law.
07/10/15	The Commission's January 30, 2015 Order in this proceeding is affirmed and East Kentucky's Petition is denied. 2. The May 26, 2015 joint motion requesting that Grayson be dismissed as a party, and requesting that any outstanding motions or materials file by Grayson be denied as moot, is granted. 3. East Kentucky's Motion for Informal Conference is denied as moot.

02/19/15	East Kentucky Power Coop. Inc. Petition for Rehearing
01/30/15	Final Order Entered: 1. Purchase power costs of $8,538,787 are disallowed for recovery by East Kentucky through its FAC for the review period. 2. East Kentucky shall immediately begin limiting recovery of power purchases through the FAC, excluding power purchases made to substitute for a forced outage, to the fuel cost of its highest-cost generating unit available to be dispatched to serve native load during the reporting expense month. 3. Power purchases in excess of the fuel cost of its highest-cost generating unit available to be dispatched to serve native load during the reporting expense month that have been recovered through East Kentucky's FAC since the end of the review period shall be disallowed in future FAC review proceedings. 4. Beginning with its first FAC filing made subsequent to the date of this Order, or as amended if filed prior to the date of this Order, and continuing for a total of four consecutive months, East Kentucky shall include a credit of $2,134,696.75 to refund to customers a total of $8,538,787 for power purchases in excess of the fuel cost of its highest-cost generating unit available to be dispatched to serve native load during the reporting expense month. 5. The issue of RTO billing codes and the appropriateness of their inclusion in the FAC calculation shall be examined in the next FAC review proceedings covering the two-year period November 1, 2012, through October 31, 2014 for those electric utilities that are members of an RTO.
