Order Entered: East Casey District Is granted a CPCN to proceed with the proposed construction and acquisition as set forth in its Application.

- 2. Prior to placing the proposed meters in service, East Casey District shall ensure that each meter is tested for accuracy by an approved agency or utility and a Commission-certified meter tester pursuant to 807 KAR 5:006, Section 17.
- 3. East Casey District shall adopt procedures to test its meters as soon as possible after removal from service and shall maintain test records in accordance with 807 KAR 5:006, Section 18.
- 4. East Casey District shall notify the Commission prior to performing any additional construction not expressly authorized by this Order.
- 5. Any deviation from the construction approved shall be undertaken only with the prior approval of the Commission.
- 6. East Casey District shall file with the Commission documentation of the total costs of this project, including the cost of construction and all other capitalized costs, (e.g., engineering, legal, administrative) within 60 days of the date that construction is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission.
- 7. East Casey District shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and spec
