06/18/18	POST CASE: Morgan County Water District Request to Raise Rates
05/10/17	POST CASE: Morgan County Water District Water Loss Control Program
08/17/16	Order Entered: The monthly water service rates requested by Morgan District in the Application and in its August 1, 2016 response to Staffs Report are approved. 2. Morgan District shall charge the water service rates that are set forth in Appendix A for water service rendered on and after the date of this Order. 3. Morgan District shall make adjusting journal entries to its plant ledger that are necessary to reclassify the original cost of plant, and of depreciation that had accumulated thereon as of the end of the test year, to the appropriate plant subsidiary accounts as shown in Appendix B of this Order. Any depreciation that has accrued on these assets since the end of the test year shall be allocated to each plant subsidiary account based on the account's percentage of accumulated depreciation test-year-end depreciation when compared to the accumulated depreciation at test-year-end for all accounts. These percentages are also shown in Appendix B. 4. Morgan District shall use the "PSC Approved Service Life" set forth in Appendix C to depreciate water plant assets for ratemaking and accounting purposes in
