12/05/19	Final Order Entered: 1. This case is opened to address certain outstanding petitions for confidential treatment. 2. The petitions for confidential treatment listed in Appendix B to this Order are granted. 3. The granting of these petitions shall not be cited as precedent in other proceedings before the Commission. 4. All movants shall review the petitions to determine if the material for which confidential treatment was requested still warrants confidential treatment. 5. A movant shall inform the Commission in writing, and filed in the original case file, if it determines that the information contained in a petition that is granted by this Order no longer warrants confidential treatment. 6. The Commission shall make available for inspection, upon request, any materials that a movant determines no longer warrants confidential treatment. 7. This case is closed and removed from the Commission's docket.
06/19/19	POST CASE: Rick E. Lovekamp Louisville Gas and Electric Company LGE files copy of permit related to Bullitt County Pipeline
06/04/19	POST CASE: Derek A Rahn Louisville Gas and Electric Company Filing of an annual report beginning June 1, 2018 detailing the information contained in the Companies Transmission System Improvement Plan ("TSIP").

03/08/19	POST CASE: Rick E. Lovekamp Louisville Gas and Electric Company LGE files copies of permits related to Bullitt County Pipeline
02/18/19	Order Entered: 1. DOD/FEA's March 31 , 2017 motion for confidential treatment is granted. 2. The designated materials for which DOD/FEA seeks confidential treatment shall not be placed in the public

record or made available for public inspection for an indefinite period or until further Orders of this Commission. 3. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. DOD/FEA shall inform the Commission if the materials in question become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run , then DOD/FEA shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If DOD/FEA is
unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the requested materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow DOD/FEA to seek a remedy afforded by law.

02/18/19 POST CASE: Rick E. Lovekamp Louisville Gas and Electric Company LGE files copies of permits related to Bullitt County Pipeline

02/05/19 POST CASE: Rick E. Lovekamp Louisville Gas and Electric Company LGE files copy of permit related to Bullitt County Pipeline

01/28/19 Order Entered: 1. JBS Swift's March 31, 2017 motion and LG&E's April 10, 2017 motion for confidential treatment are granted. 2. The designated materials for which JBS Swift and LG&E seek confidential treatment shall not be placed in the public record or made available for public inspection for five years or until further Orders of this Commission. 3. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. JBS Swift or LG&E shall inform the Commission if the materials in question
become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run, then JBS Swift or LG&E shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If JBS Swift or LG&E is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the requested materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow JBS Swift or LG&E to seek a remedy afforded by law.

01/25/19 Order Entered: 1. LG&E's February 20, 2017 motion for confidential treatment is granted. 2. The designated materials for which LG&E seeks confidential treatment shall not be placed in the public record or made available for public inspection for five years or until further Orders of this Commission. 3. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. LG&E shall inform the Commission if the materials in question become publicly available or no longer qualify for confidential treatment.
5. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run , then LG&E shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If LG&E is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the requested materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow LG&E to seek a remedy afforded by law.

07/13/17	POST CASE: Transcript of March 28, 2017 Informal Conference
06/29/17	Order Entered: 1 . LG&E's motion to correct the Final Order is granted. 2. The Final Order is amended as described herein. 3. The rates and charges attached as Appendix B to the Final Order is stricken and superseded by Appendix B to this Order. 4. In future base rate applications, LG&E shall 1) clearly show the charges which are applicable to the entire class and the charges which apply only to customers taking service under a rider to a class in its billing analysis, and 2) set out in its billing analysis all charges relevant to each individual class, even if no customers are currently taking service under a particular rate. 5. All other provisions of the Final Order shall remain in full force and effect.
06/23/17	Kendrick R. Riggs of Stoll Keenon Ogden PLLC Louisville Gas and Electric Company LGEs Mtn to Correct Order
06/22/17	Final Order Entered: 1. The rates and charges proposed by LG&E are denied. 2. LG&E's motions for leave to file the First and Second Stipulations are granted. 3. The First and Second Stipulations, attached hereto as Appendix A, (without exhibits) are approved with the modifications discussed herein. 4. The rates and charges in Appendix B, attached hereto, are fair, just, and reasonable for LG&E to charge for service rendered on and after July 1, 2017. 5. LG&E is granted a CPCN to implement the DA project as described in the application. 6. Within 30 days of the date of this Order, KSBA shall file with the Commission the process by which it will notify and select those schools that are eligible to participate in the pilot tariffs approved herein. 7. LG&E shall file reports with the Commission as directed herein which set out details concerning the pilot school tariffs study. 8. Beginning June 1, 2018, and continuing over the five-year Transmission Plan period, LG&E shall file an annual Transmission Plan report as discussed herein. 9. LG&E is granted a CPCN for the construction of the Bullitt County natural gas pipeline as described in the application and further described in response to discovery. 10. LG&E shall provide copies of any permits related to the Bullitt County pipeline within ten days of obtaining each permit or approval.
