Construct

UTILITIES:

Natural Energy Utility Corporation

INDEX OF EVENTS:

12/05/19 Final Order Entered: 1. This case is opened to address certain outstanding petitions for confidential treatment. 2. The petitions for confidential treatment listed in Appendix B to this Order are granted. 3. The granting of these petitions shall not be cited as precedent in other proceedings before the Commission. 4. All movants shall review the petitions to determine if the material for which confidential treatment was requested still warrants confidential treatment. 5. A movant shall inform the Commission in writing, and filed in the original case file, if it determines that the information contained in a petition that is granted by this Order no longer warrants confidential treatment. 6. The Commission shall make available for inspection, upon request, any materials that a movant determines no longer warrants confidential treatment. 7. This case is closed and removed from the Commission's docket.

05/26/17 POST CASE: Natural Energy Utility Corp. Notice of Completion of First Half of Construction

05/02/17 POST CASE: Natural Energy Utility Corp. Notice of Construction

02/20/17 Final Order Entered: 1. The Agreement is approved as filed. 2. NEUC is granted a CPCN for the Project as set forth in the application. 3. NEUC shall provide a copy of the required Kentucky Transportation Cabinet permit within ten days of obtaining it. 4. NEUC shall, no later than 90 days after the completion of the construction, file with the Commission a statement of the actual costs of the construction. 5. NEUC shall file a copy of the "as-built" drawings and a certified statement from the engineer that the construction has been satisfactorily completed in accordance with the plans and specifications within 60 days of substantial completion of the construction certified herein. 6. NEUC shall require the construction to be inspected under the general supervision of a professional engineer licensed to practice in the Commonwealth of Kentucky in civil or mechanical engineering to ensure that the construction work is done in accordance with the drawings and specifications and in conformity with the best practices of the construction trades involved in the Project. 7. NEUC shall notify the Commission one week prior to the actual start of construction and at the 50 percent completion point. 8. Any documents filed pursuant to ordering paragraphs 3, 4, 5, and 7 of this Order shall reference the number of this case and shall be retained in the utility's general correspondence file.

02/08/17 Order Entered: 1. NEUC's proposed Agreement to provide gas service to a new industrial customer shall be reviewed and its reasonableness investigated in this proceeding. 2. The proposed Agreement is suspended for five months from February 9, 2017, up to and including July 8, 2017.
