report shall detail what actions, if any, LG&E is taking in response. LG&E shall submit annual reports for the years 2018-2022, and shall submit each report by January 31 of the following year.

12/28/17 Order Entered: 1. LG&E's petitions for confidential treatment of the maps of its Ballardsville gas transmission pipeline system are granted. 2. LG&E's petition for confidential treatment of the pricing information in section 1 O of the Southern Pipeline Contract is granted. 3. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001 , Section 13(9). 4. LG&E shall inform the Commission if the materials in question become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run, then LG&E shall have 20 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61 .878. If LG&E is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the requested materials available for inspection for 20 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow LG&E to seek a remedy afforded by law.
