**INDEX OF EVENTS:**

11/19/18 POST CASE: New Cingular Wireless PCS, LLC KAZC Approval Letter

11/01/18 Final Order Entered: 1. Applicants are granted a CPCN to construct a wireless telecommunications facility. The proposed facility consists of an antenna tower not to exceed 325 feet in height, with attached antennas, and to be located at 1641 Lee Burd Road, Benton, Kentucky. The coordinates for the proposed facility are North Latitude 36° 49'24.34" by West Longitude 88° 28'25.57". 2. Applicants shall file with the Commission notice of KAZC's approval of their application within ten days of receiving said approval. 3. Applicants shall immediately notify the Commission in writing, if, after the tower is built and utility service is commenced, the tower is not used for a period of three months in the manner authorized by this Order. 4. Documents filed, if any, in the future pursuant to ordering paragraph 2 or 3 herein, shall reference this case number and shall be retained in the post-case correspondence file. 5. This case is closed and removed from the Commission's docket.

10/04/18 Order Entered: 1. Applicants' petition for confidential protection for the designated material in Applicants' Response to Commission Staff's First Request for Information is granted. 2. The designated material shall not be placed in the public record or made available for public inspection until further Orders of this Commission. 3. Use of the material in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. Applicants shall inform the Commission if the material in question becomes publicly available or no longer qualifies for confidential treatment. 5. If a non-party to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, then Applicants shall have 20 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If Applicants are unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the requested material available for inspection for 20 days following an Order finding that the material no longer qualifies for confidential treatment in order to allow Applicants to seek a remedy afforded by law.
