Order Entered: 1. LG&E/KU's April 13, 2018, and July 31, 2018, petitions for confidential protection are granted. 2. The designated materials shall not be placed in the public record or made available for public inspection for five years, or until further Orders of this Commission. 3. Use of the designated materials in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. LG&E/KU shall inform the Commission if the designated materials become publicly available or no longer qualify for confidential treatment.

5. If a non-party to this proceeding requests to inspect the designated materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not expired, LG&E/KU shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If LG&E/KU are unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the designated materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow LG&E/KU to seek a remedy afforded by law.
