**UTILITIES:**

Marion County Water District

**INDEX OF EVENTS:**

01/28/19

Final Order Entered: 1. Marion District is authorized to establish a regulatory asset for the actual, incremental costs for Lebanon's rate case expense resulting from Case No. 2018-00417. 2. Marion District is authorized to establish a regulatory asset to begin with an initial balance of \$0 and increase each month by \$2,000 for thirty-six (36) months as Marion District pays the rate case expense surcharge to Lebanon. At the end of thirty-six (36) months, the regulatory asset will quit accumulating a principal balance. 3. Marion District is authorized to add a carrying charge to the regulatory asset to account for the time value of money. The carrying charge will be equal to the weighted average of Marion District's long-term debt interest rate, which is 2.502 percent. 4. The regulatory asset accounts established in this case are for accounting purposes only. 5. This case is closed and removed from the Commission's docket.
